Website: www.levelupnv.com

A non-contact Neighborhood Scavenger Hunt! Print out a game card, print out pages, color and place 1-2 pages (or more) on your door or street facing window each day until 4/17. Take walks around your neighborhood and see which neighbors are playing too! Cross off the images as you see pages posted by your neighbors! Let us know you're playing and we'll post a list of neighborhoods and streets participating. Post your game card progress with pictures on our Facebook event for everyone to share in the fun! Download pages from our Facebook <https://www.facebook.com/LevelUpCurbsideGaming/>. Tag your pictures #levelupnvgamingo. Watch our FB page for fun updates!
