GAMIN-GO!

A non-contact Neighborhood Scavenger Hunt!
Print out a game card, print out the weekly pages, color or leave as is. Hang 1-2 pages on your door or in your street facing windows each day until 4/17. Take walks or drives around your neighborhood and see which neighbors are playing too! Cross off the images as you see pages hung by your neighbors! Let us know you're playing and we'll post a list of neighborhoods and streets participating. Post pictures of colored pages, your walks and your game card progress on our Facebook event page for everyone to share in the fun!
Watch our social media for updates too!

Experience fresh air, family exercise and brain stimulation during our community "shelter-in-place" COVID-19 battle.
Stronger Together!
